## **BELGIAN DESIGN & QUALITY, WORLDWIDE INSPIRATION & PRODUCTION**

Within our dedicated studio in Belgium, our designs come to life as unique interior pieces, skilfully woven by local artisans. Every carpet is carefully handcrafted, employing traditional techniques and an unwavering focus on precision. By exclusively working with our dedicated team, who share our philosophy, we ensure both sustainability and uncompromising quality. From the dyeing of raw materials to the selection of yarns and the final finishing touches, we maintain a meticulous approach.

## **BELGISCH DESIGN & KWALITEIT, WERELDWIJDE INSPIRATIE & PRODUCTIE**

Vanuit ons eigen atelier in België worden onze ontwerpen lokaal geweven tot unieke interieurstukken. Elk vloerkleed wordt zorgvuldig gemaakt door lokale wevers volgens traditionele technieken, met oog voor detail. Om duurzaamheid en kwaliteit te verzekeren, werken we enkel met eigen mensen die onze filosofie uitdragen. Vanaf het verven van ruwe grondstoffen en de selectie van garens tot en met de afwerking van ieder uniek stuk.

## **DESIGN ET QUALITÉ BELGES, INSPIRATION ET PRODUCTION À L'ÉCHELLE MONDIALE**

Au sein de notre propre studio en Belgique, nos designs prennent vie sous la forme de pièces d'intérieur uniques, habilement tissées par des artisans locaux. Chaque tapis est méticuleusement confectionné à la main, en utilisant des techniques traditionnelles et en accordant une importance primordiale à la précision. En travaillant exclusivement avec notre équipe dévouée, qui partage notre philosophie, nous garantissons à la fois la durabilité et une qualité irréprochable. De la teinture des matières premières à la sélection des fils et aux touches finales, nous adoptons une approche minutieuse.

## **BELGISCHES DESIGN & QUALITÄT, WELTWEITE INSPIRATION & PRODUKTION**

In unserem Designstudio in Belgien nehmen unsere Designs als einzigartige Inneneinrichtungsstücke Gestalt an, kunstvoll von Handwerkern vor Ort gewebt. Jeder Teppich wird in sorgfältiger Handarbeit mit traditionellen Techniken und viel Liebe zum Detail hergestellt. Durch die ausschließliche Zusammenarbeit mit unserem engagierten Team, das unsere Philosophie teilt, gewährleisten wir sowohl Nachhaltigkeit als auch kompromisslose Qualität. Von der Färbung der Rohstoffe über die Auswahl der Garne bis hin zur Veredelung jedes einzelnen Stücks.

Ligne Pure staat voor een duurzame toekomst. Innovatieve technieken, milieuvriendelijke materialen, alternatieve energiebronnen, recyclage en ecologische verpakking zijn slechts enkele manieren om onze voetafdruk zo klein mogelijk te houden. We zetten ook sterk in op lokale productie met lokale materialen en proberen zoveel mogelijk in België te produceren. Ook op ethisch en sociaal vlak willen we ons steentje bijdragen en garanderen we een veilige werkomgeving, verantwoorde arbeidsomstandigheden, correcte verloning en respect voor de makers.

Ligne Pure est dédiée à un avenir durable. Notre engagement se concrétise à travers des techniques innovantes, l'utilisation de matériaux respectueux de l'environnement, l'exploitation de sources d'énergie alternatives, le recyclage et des emballages écologiques. Nous mettons l'accent sur la production locale et l'utilisation, autant que possible, de ressources locales afin de réduire notre impact écologique. De plus, nous contribuons activement à des causes éthiques et sociales en assurant un environnement de travail sûr, des conditions de travail responsables, une rémunération équitable et un profond respect pour les artisans derrière nos créations.

Ligne Pure ist einer nachhaltigen Zukunft verpflichtet. Innovative Techniken, umweltfreundliche Materialien, alternative Energiequellen, Recycling und ökologische Verpackungen sind nur einige der Maßnahmen, unseren Fußabdruck so klein wie möglich zu halten. Außerdem legen wir großen Wert auf lokale Produktion mit lokalen Materialien und versuchen, so viel wie möglich in Belgien zu produzieren. Darüber hinaus tragen wir aktiv zu ethischen und sozialen Anliegen bei, indem wir eine sichere Arbeitsumgebung, verantwortungsbewusste Arbeitsbedingungen, faire Entlohnung und höchsten Respekt für die Handwerker hinter unseren Kreationen gewährleisten.
